Performing Arts Center - Donor Recognition

Donor recognition for our regional performing arts center offers a wonderful opportunity to enhance the image of your company, honor your family, or remember a loved one – all while supporting arts development within the Greater Capital Region.

Donors contributing \$500 or greater will be prominently recognized in a permanent display in the main lobby, as well as within marketing, playbills and other publications.

Donors contributing \$5,000 or greater may consider the naming opportunities listed below. Please contact our Vice President of Fundraising and Development, Robert Harrison, at 399-8890 to discuss recognition details and payment options.
