Good Evening,

It is with a great deal of pleasure that I greet you at this the opening production of the 43rd season of the Schenectady Light Opera Company. *West Side Story* began to take shape nearly one year ago after the Board of Directors accepted the recommendations of the Show Selection Committee. In May public auditions were held; during the summer production Chairmen were recruited; and in September rehearsals began in earnest.

Dance steps have been learned, acting polished, sets constructed, the orchestra assembled. More than 175 members of the community including ministers, nurses, students, engineers, therapists, teachers, mathematicians, clerks, technicians, homemakers, bus drivers, social workers and salesmen have volunteered long hours of hard work to prepare this favorite of musicals. It is difficult to say which group is more "stagestruck," those on stage or those backstage. Everyone has been most anxious to use those talents they have (and some they didn't know they had) to present an outstanding performance for you who make it all worthwhile — our audience.

We are indeed grateful to all who support our company in any way, and especially those with Special Membership whose added patronage make it possible for us to offer our Scholarship program each year.

New members are what keep our organization vital and growing. The cast alone for *West Side Story* includes thirty new participants. You'll be delighted when you see them perform. Perhaps you might like to leap over the footlights and add your efforts to our Spring production, *A Funny Thing Happened on the Way to the Forum*. Please call us on 393-5732. We'll be glad to hear from you.

Sincerely,

Gioia Ottaviano

About the Show

West Side Story is a modern version of the Romeo and Juliet theme set in the slums of New York City and focused on the rivalries of two gangs. Tenderness and love are set against hatred, violence and tension.

 This musical, ranked as one of the greatest in the history of Broadway, opened on September 26, 1957. It went on to play 734 performances.

SCHOLARSHIPS

Two Classical Vocal Scholarships of \$200 and \$100 each are offered by the Schenectady Light Opera for classical vocal study each year. Public auditions are held with qualified judges who are residents of the area. Judging is based on vocal ability and poise. This year's awards were presented to Gary Aldrich and Richard Fragomeni.

A WORD ON COMPLIMENTARY TICKETS

So many people and businesses give freely of their time and services to the Schenectady Light Opera Company that it is impossible to establish rational criteria for distributing complimentary tickets as an expression of appreciation.

Most people wouldn't take them if offered since the real reward for their efforts is the continued existence of the Company.

This is the basis for SLOC's "no complimentary ticket" policy.
