

**Schenectady Light Opera Company (SLOC) is accepting Designer submissions for our 98<sup>th</sup> Season!**

**Background:** A historic community theater located in Schenectady, New York – SLOC has a proud history of producing quality musical theater for a wide range of audiences. We strive to fill each season with a variety of exciting shows (from classics to recent hits) that will appeal to our patrons. This year we are excited to include the option for non-musical submissions (plays) for our season.

**How it Works:** The show recommendation committee (on behalf of the Board of Directors) has put out a call for Directors to submit shows with teams. Some Directors do submit shows without a full team. To match Designers, Producers, Choreographers, Music Directors, etc. with Directors that don't have full teams, we are including a call to submit independently of a full show submission. If this is you and you are interested, you should submit using the link below.

**What Do I Need to Know:** Please complete the application - <https://forms.gle/5Fhu1NvgdvHxbHtB9> (Also available on our website). When completing your application, please be sure to identify as much of your interest and availability as possible, you should also include a resume that lists the roles and shows you have been involved in.

**When Are Submissions Due:** Submissions will be accepted until **11/25/2023 by 5pm**. Following the review of submissions, directors will be informed about the applications received to help fill out teams for the next season.
